

# Abir Moghnieh

Address 1 av. de l'université, 59140, Dunkirk - Phone +33 7 49 92 99 05  
Email: abir.moghnieh@hotmail.com

## Ph.D Candidate In Materials Science

### PROFESSIONAL EXPERIENCE

12/2020-  
Present  
(Dunkirk-  
France)

#### UDSMM-ULCO, Ph.D Candidate

A systematic study of the synthesis of new organic semiconductor liquid crystals for the production of photo-active thin films usable in flexible organic electronics (OFET)

03/2021-  
Present  
(Dunkirk  
Et Calais)

#### ULCO, Academic Tutor

03/2019-  
07/2019  
(Tours-  
France)

#### PCM2E-Tours university , Intern

A systematic study of the synthesis of new high mobility donor-acceptor polymers for thermoelectric application

### Education

2020- Present  
Dunkirk-France

Joint Ph.D in Materials Science *Université du Littoral Côte d'Opale (France)*

2018-2019  
Beirut-Lebanon

Master 2 in synthesis catalysis and sustainable chemistry  
*Lebanese university*

2017-2018  
Beirut-Lebanon

Master 1 in molecular chemistry *Lebanese university*

2014-2017  
Nabatih-Lebanon

Bachelor of Science- chemistry degree  
*Lebanese University*

2013-2014  
Tyr-Lebanon

Lebanese Bacallaureate, Life Sciences *Abassieh public high school*

### COMPUTER SKILLS

- Microsoft Office: (Word, Excel, PowerPoint)
- MestReNova
- ChemDraw
- Origin

### LANGUAGES

- Arabic: Native language
- English: Upper-intermediate
- French: intermediate

### INTERESTS

- Taekwondos (black belt 2 dan)
- Reading
- walking
